- Prepaid shipping to mail your sample to the lab
- Physician-reviewed results on a secure HIPAA-compliant platform
- Sale not permitted in NY, NJ, RI. Must be 18+. Can be purchased with HSA/FSA

Description

Think some of the food you eat may be causing headaches, stomach pain, or other symptoms? This Food Sensitivity Test can help you prioritize which foods may be best to remove during a two-part elimination diet. It does this by checking how your body's IgG antibodies react to 96 different foods, including dairy, wheat, yeast, and more, and rating each food on a reactivity scale from normal to high.

Specifications

Includes: Instructions, Pre-Addressed Mailing Box, Confidential Lab Test

Package Quantity: 1

Results Timing: 3 Days

Test Substance: Blood

Results Indication: Digital Display

Battery: No Battery Used

TCIN: 76157573
